Hello guys,

Where are the Ewhore's god ? Im looking for big ewhore people that want to step up their game more! Im ewhoring 4-5 years already and have a lot of experience. I build an own squad with people that are ready to focus on ewhoring daily for 3-6 hours . If you have an good idea or have a lot of experience and want to make your ewhore earnings more contact me! Work together is more money for both ! A lot of ewhore's dont think about this.

Not to toot my own horn, but I'm seasoned af and am only getting better now that I have a kick ass private technique down. I had my first \$1k day the other day. Hit me up if your looking for more than just the usual spammy sfs stuff.
