I will close the dispute if you either send the stuff or return the money to Zexi

Why did Zexi disburse the money if you never got the stuff??

Glad I stayed away from this deal ?

Thats a pretty big chunk of money.

phybe? asked for half upfront, but he said he would give back if he couldn't do it, so I asked Zexi to send him the half.

Ah. Did you pm phyber before making this dispute? I'm sure he'll just refund if he's over the deadline or whatever.

OP asked me to pay the guy half upfront even though that defeats my purpose as a middleman.

Phyber said he will pay back that half if unsuccessful. Hopefully he does its only 750\$.
