Thread: [\\$200 BTC Give Away - Multiple Entries Possible - \[ALL MEMBERS\]](#)

Elusiive - October 13, 2019, 5:48 pm

Hi there

As a way to mark the date, I have decided to start using this forum a lot more rather than being a lurker, which will include offering more services and soon ready-made products I figured I should do a giveaway.

1) Leave +rep (L33T: +1 | UB3R: +3 | V3ND0R: +5) Upgraded Only - If you're not upgraded you will need to post here 5 times collectively before the end date with something about yourself. If you don't post 5 times, you won't be entered... No spam either.

2) Post on this thread stating how much Rep you have left me - Your post number will be your ticket number. Your FIRST post will be your ticket number.

3) If you have an aged Facebook account and are willing to post a review to a business page, you will receive 3 x the entries. (Your ticket number entered 3 more times)

Only people with FB accounts deemed suitable will be able to do this - PM your link or summary of your account... No fake accounts, No accounts that are clearly not active.

The giveaway will end on 29th October 2019.

Winner will be chosen on Random.org.

I will be holding these every month!

Brilliant, are they pretty general looking accounts? It's for a business page do need to look somewhat realistic... Multiple accounts is perfect!

Will be grabbing one of your only fans this week!
