It's not possible to win EVERY cb.

Anyways do you have some proof?

kinda interesting but will wait for some feedback. Not normal that a fresh account instantly buys l33t and pays for a sticky

There's no sticky on the thread?

Interested but need some vouches first.

Anyways do you have some proof? Probably involves mailing the buyer an envelope with a tracking number so if they issue a dispute you can provide the tracking number and PayPal will straight away end the dispute in favour of the seller.

I'm from another forum where I have feedback for this method. I was contacted by someone from HF who eventually bought my method and told me I could boost my sales here and recommended me to buy a rank so I could post in the Premium Seller section.

Nope, I will guarantee you this method will be the most unique thing you have ever seen.

Does this work with friends&family option?

Payment method doesn't matter as long as you follow the guide.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

To the people asking for a vouch copy; I'm willing to offer a vouch copy to a reputable member, not sure if there are any standards for a user to receive a vouch copy. Please PM me.
