Okay you want a comment

>Imagine still playing fortnite in late 2019 thinking it's a good game.

On the side note video looks like it was compressed or recorded with the lowest bitrate. Looks like you used potato video editor.

Go Comment that on the video for you apples sir

And i edited on my phone and didn't use original files for some clips so yeah quality not very good but it's fortnite...

Nice clips, early chapter one was the best. I stopped playing later on but this video shows how much the meta changes around!!

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
