Pretty sick, idk how you find enemies as bad as that though, that's normally what my teammates are like lmao

Had some early and 3-4 of them ended the game with 0 kills about about 10-25 deaths each

Yeah it's sad times lmao, I been trying to get back into CoD on console after like 5 years of having no console and everyone I find is like master prestige and jump shotting me haha

Xepher The Cat - October 20, 2019, 3:49 am

I find CoD really hard to play for more than an hour or two per sitting.
