I'm commenting mostly so I can easily find you at a later date! I'd feel much happier going through a middle man, and would be happy to donate if I can find someone reliable for what I need.

How could you have possibly used this service without any contracts?

Lucignolo - February 24, 2020, 8:18 am

I have not used any contract but I appreciate people like you who try to help and not cheat as they do most for this, for me you remain a great person

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
