Thread: [UPTO 10K+/MONTH | AUTOPILOT METHOD \[EARN OR FULL REFUND\]](#)

Money4life - October 25, 2019, 6:30 am

No need for a thread design.

I am selling a mentorship for a method that i am doing for side money. This can easily make you 5k+ month with minimal work

It takes 1-2 days setting everything up, and after that, its up to you if you want to work more, to earn more. But after the setup everything is autopiloted.

I will mentor you the method + secrets to earn more and tricks i use to maximize my earnings.

This is not BH and does not involve Cpa, ewhoring and all that public stuff.

500\$ per copy EARN 500\$ BACK OR FULL REFUND

6 COPIES SOLD. No negative reviews! (with contract on site)

(NEW UPDATE TO THE METHOD, 2X the EARNINGS POTENTIAL)

I will mentor you and show you using screenshare etc, so i am not selling a bs ebook.

I'll divide my review into a few sections, Support/Mentoring and Review of the method.

I will update post as i go so keep posted! :)

Support/Mentoring

So far this has been pretty good support and mentoring so far. On first contact he answered all my questions i had.

Mentoring is included in this as well and this is something which i liked the look of. This was given very well and he brought me through every step of the method, showed what you should do and how.

Different ways of doing it through his knowledge research. While mentoring he made sure my questions were answered and that i understood it all.

He also advocates you to come and asks questions which is top tier of him.

Method Review

So i haven't tried to implement the method so far since it's late at night right now but off hearing the method and being mentored through it i can say it's a very solid method and i will definitely be using this. Exactly how OP described.

Will update this as i go :)

A week ago and made \$60, I'm not sure why he would claim up to 5K a month? Maybe at this rate why just say 500 a month? Am I missing something here/

Bought a week ago, but it takes time to setup. After setup then ur profits will start to grow. Day 1 maybe 10\$, day 2: 25\$ etc

Its just a waiting game after setup. I have made upto 5k a month from this, so i dont see how my title is not valid

The more times you set this up / redo the setup process, the more money you can make.

There is only an optional 19\$ investment, but you dont need to.

I bought the guide and was impressed by the overall simplicity and potential this technique has. You really don't need much skills in this, an average joe can pull this off and still pull in profitable income (autopilot)

The method's potential really depends on how much time initial time you want to put into it. Once you find an appropriate set up, you WILL auto earn!

Cant show payments by customers rn, since payouts are monthly / bimonthly.

If not are you fine with using a middle man until I can confirm that I am earning?

Also this 100% doesn't involve: paxful, gofundme, ebay, amazon, exchanging, ewhoring, website creation and I 100% won't receive any charge backs or fraudulent payments? I don't want to ruin my info.

Buyers cant show proof of earnings because they get payments monthly. But if you ask any of the buyers, im pretty sure they are happy with the support and potential of it. So ask any of the 6 buyers :)

Ok but is there any chance of dealing with chargebacks or fraudulent payments I need to know this. Also as mentioned the method is 100% autopilot after setup correct? So I won't be required to do any work once it's up an running?

I read the thread posts, i know buyers are getting payments monthly. What I'm asking is for them to show proof of that wherever it shows. Otherwise how do you customers even know that they will get money in a month. Also why did you need to make a new thread for this? You have an identical thread how did the members do on that?

This guide is probably the most legit guides out there out all of these trash guides in HF. This is a LONG term investment plan and execution takes some time before actual big progression. If you're here to sale bash do you're self a favor and don't even bother with this guide. Most people here don't know about. Patience =key .

I am selling a mentorship for a method that i am doing for side money. This can easily make you 3k+ month with minimal work

It takes 1-2 days setting everything up, and after that, its up to you if you want to work more, to earn more. But after the setup everything is autopiloted.

I will mentor you the method + secrets to earn more and tricks i use to maximize my earnings.

This is not BH and does not involve Cpa, ewhoring and all that public stuff.

500\$ per copy (Willing to use MM, pm me for details)

Already sold 1 copy to a user 1 week ago in private (with contract on site)

I will mentor you and show you using screenshare etc, so i am not selling a bs ebook.

atari2001 - November 23, 2019, 12:19 am

as i said i would say something after i started.

the method is working, its a long term earning method! the earnings depends how much time you want to invest, you can invest 2-3days and then go autopilot, or you invest every week 2-3hours and can earn a lot more money.

the start is a little bit hard, but money4life is helping very good.

in 2 weeks i will update some earnings.

ok now i give an update again:

i started with this method like 1,5 weeks ago and i worked a lot at start. now it started to earn money, but its growing every day a lot, i think i can reach in 1-2 weeks \$40-50 per day, i will keep this updated.

Yes after 1-2 weeks its autopiloted!

I can say, it was worth the \$500 and im very happy that i bought it. The most important thing is to dont give up after the first days. The start is hard, but when work for it, it will be easier and easier!
You can ask MoneyTalk when ever you have any problem and he will help you out! His support is excellent every day!

Hey can you answer this question?

Money4life - December 30, 2019, 11:20 am

Sent everyone above a PM. If you want more proof of payouts just hmu :)

whiter5000 - December 30, 2019, 12:25 pm

Hey I'm interested.

1. Do you have any proof of someone using your method and making money with it?
2. What would be a reasonable amount of time to scale this method to "500/day"?
3. How many hours do you spend a day implementing this method?
4. Once we make "XXX amount of money per day" can we automate the work via a bot or a VA?
5. is this method legal? whitehat/greyhat etc..
6. Please PM me answers to all thanks.

Also let me know what it involves(Gambling,Ewhore,Shoppify products, etc..)

Thanks

tvercetti - January 1, 2020, 10:45 pm

Does it require any other spend to make things faster apart from your fees?

Does it work worldwide without any problems. How much is the total setup time to get to \$50-\$75 per day and does it involve selling anything or talking to people?

Creative Appz - January 1, 2020, 11:15 pm

Can you please clarify this a bit more, especially this part "(Keep in mind; Nothing to do with botting, dripfeeding etc) just to make it clear for everyone" - the earnings come from streaming royalties or some other source?

Bought this yesterday and will be updating with proof of earnings when I get there. Solid method but will be rough for the beginning to get going. Seems that it should get easier as time progresses.

SilverAmerican - January 5, 2020, 11:18 am

Any more details you can PM me with? Just want to get everything fleshed out considering the price of it.

Ive gotten other ebooks that have made me good money but if this can truly bring in 5k+ a month on mostly autopilot then that would give me what I need to give myself and my GF a nicer life with plenty extra for other investments

extortion - January 5, 2020, 2:06 pm

PM about this please and answer the questions above the previous post if you can. Interested but have spent around 3k on HF "methods" and absolutely none has brought me income. So yeah admittedly I am a bit skeptical, but wanna see how this works.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page

and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

I am selling a mentorship for a method that i am doing for side money. This can easily make you 5k+ month with minimal work

It takes 1-2 days setting everything up, and after that, its up to you if you want to work more, to earn more. But after the setup everything is autopiloted.

I will mentor you the method + secrets to earn more and tricks i use to maximize my earnings.

This is not BH and does not involve Cpa, ewhoring and all that public stuff.

500\$ per copy EARN 500\$ BACK OR FULL REFUND

6 COPIES SOLD. No negative reviews! (with contract on site)

(NEW UPDATE TO THE METHOD, 2X the EARNINGS POTENTIAL)

I will mentor you and show you using screenshare etc, so i am not selling a bs ebook.

Still an open spot!

Top buyer is about to hit 200\$ a day!

Money4life - July 15, 2024, 7:11 am

4 years later and I have branched out and optimized the hell out of this "method".

Thread price of 500\$ per copy is no longer an option. I am selling 2-3 spots for \$xx.xxx after interviewing each person. This method has never been seen on HF before and has lasted years. It is not the same method as the original thread. It's a branched out version that works 10x better. The same attributes apply, semi-autopilot after setup, no BH etc.

Estimated average earnings \$50.000-\$100.000+ per year in either crypto or fiat. (Can show proof of earnings)

I am selling this mainly because I am established enough that if a few other people do this with me, my earnings will not get affected.

If you have questions, hit me up. It will be for a limited time only.
