Thread: [Want to buy leads \(list\) of people who are interested in trading & cryptocurrency](#)

40lari - October 27, 2019, 12:19 pm

I want to buy leads of people who are interested in trading & cryptocurrency.
In leads I mean full name and phone number (and email if possible).
Leads need to be high quality and preferably european countries.
If you know a better place to look for these leads, I would be grateful to know.
