I appreciate the heads up won't do it again, but if it is that, which I highly suspect it is, that's a highly public method, so it's just a warning. Too many people finessing on this website. Just trying to help.

I appreciate your effort to make people aware in case any method or sale wouldn't be what the seller claims to be. But I'd suggest you to contact the OP first and asking before doing any accusations to avoid future conflicts with users, on this lovely forum where everyone loves the -rep feature.

I don't know what a multi is and I always say reputation since you say +rep and -rep, and not +pop or -pop.

He gave me a vouch copy 2 days ago. It's a good method, but a little bit saturated. I have seen this method once before, anyways he has shown me things which I didn't know of! He has given me advice to get multiple giftcards without repeating some of the steps and he has given me advice about how to do it on a correct way. He's pretty active and very helpful. I would recommend buying this method, as I have 2 giftcards already with this method, so if I bought it, I would have made the 15\$ back already in 10 minutes of work and around 36 hours or waiting. Could have made more than 100\$ in 1 hour of work and same time of waiting. Recommended!

Similar methods, not the same method. He's using a different website and doesn't have a chance of a bigger giftcard (like 50\$), it still has to do a little bit with each other's method. Anyways, it's NOT the same.

For a buisness mail you need a domain and web hosting which you can get for free but paid will increase your chances

Is the method you're selling ethical?

Yes

Stanley - November 4, 2019, 8:30 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
