Thread: [CRACKSHACK RDPs - Windows/Linux Servers - 24/7 Support - Custom Add-ons - CHEAP \\$](#)

hoodratOG - November 1, 2019, 1:36 am

hello hoodrat here

I am now offering Windows/Linux servers at very affordable prices.

my servers are 100% private, and come from a trusted datacenter partner.

If you are interested in purchasing a server, please contact me via Telegram or Discord

Discord: hoodrat#3171

Telegram: @hoodrat

Please let me know you're from HF when you PM!
