Thread: [Hacking Basics Part 1](#)

mrpizzahut - November 1, 2019, 8:27 am

I have a collection of videos and other material pertaining to information security, also known as hacking. Over 100GBs worth. I will periodically release more and more videos pertaining to the topic. Below are links to a great foundation for new comers.

CompTIA Security+

[Uploadfiles.io - CompTIA Security+.rar](#)

Pentesting Web Servers

[Uploadfiles.io - Pentesting Web Servers.rar](#)

Pentesting Web Applications

[Uploadfiles.io - Pentesting Web Applications.rar](#)

Reply any questions, feedback and/or ideas.

Dotexe - November 1, 2019, 8:28 am

Did you took them from u demy ?

mrpizzahut - November 1, 2019, 8:00 pm

I acquired them from a repository a maybe a year ago.

Looks dope, thanks for the contribution!

When can we expect the next update?

realsunjester - November 28, 2019, 10:59 am

didnt think warez was allowed here.

mrpizzahut - November 29, 2019, 12:32 am

Sorry. Won't happen again.

Magictabz - November 29, 2019, 11:23 am

thanks nice share//2short
