Thread: [RaT Setup & Portforwarding \(FREE\)](#)

Cuffed - November 1, 2019, 10:27 am

Setting up RaTs for free via TeamViewer. I recommend you buy a VPN which allow you to open ports. For safety and makes it easier. Comment your discord and ill add you. ?

????????? - November 1, 2019, 11:06 pm

how to continue portporwarding on a pc, I also have a problem like that please help sir

raghavsood999 - November 2, 2019, 9:16 pm

I need help for my vpn and rat set up

My discord is : raghavsood999

I want to buy 1K Bots or RAT Servers/Slaves but dont have enough funds at the moment. I can give you money later but for now help me get connected via phyber vpn

jay thijse - November 3, 2019, 1:33 am

Acid Burn#8642

i would love to get some help
