Honestly these type of things drive me crazy, in my opinion they are not worth the time unless you have a huge referral down line.

Thats was my first opinion as well. But now by doing it it take less then 10 minutes a day. And im in group 7 already. Earning \$12 / a little more every day. In the spreadsheet i provied is the minium you will earn bt the investment. But it will me more because of referrals/lottery/super videos.

That's pretty good honestly, keep it up!

These are usually scams. Read ToS the payout is subject to change at any time.

Ofcourse they would list it there. But so far they have payed out all of the people i know. And ofcourse me.

Wanna add this:

I have invested \$105 so far and plan to invest \$44 more to get to group 7.

I will make back everything I invested within 35-40 days.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
