Thread: [Free \\$10 giftcard to drop.com method](#)

idabofficial - November 8, 2019, 7:36 am

This is for drop.com to get \$10 giftcard. They do not stack but you can do it infinite amount of times using this method.

You can pay \$1 and then get some nice entry level earbuds or keyboard keycaps or whatever you want.

Just post in this thread for method.
