Hi,

I'm not sure if this is something that hackforums members are interested in, but i thought i could give it a try.

I'll offer you a decent deal with the following included:

*Twitch total views (to make the channel look used and more popular)

*Twitch followers

Package #1:

20.000 twitch total views

2000 followers

Price: \$3 [BTC]

Package #2:

50.000 twitch total views

6000 followers

Price: \$6 [BTC]

I can provide other twitch services aswell such as

*Prime subs

*Twitch accounts

*Live views

*Chat bots

Excellent, quick service!

Udyr - November 24, 2019, 11:24 pm

Are they real accounts; ie you are advertising the stream on a much larger platform or are these fake accounts/views aka bannable?

Pm me we can talk
