Thread: [Are DDoS attack discussions not allowed anymore?](#)

Saul - November 11, 2019, 12:30 pm

I haven't been a long time on the forum and I can't find DDoS-for-hire services anymore hence I'm asking.

I'm not looking to buy this kind of service but to enrich my knowledge.

You can discuss DDOS/Stress Testing for educational purposes in this forum: [Blackhat Training](#)

Read the stickied thread [Blackhat Training Policies](#) for information on that section's policies.

DDOS-for-hire services are not allowed.
