Thread: [Lending girl voice for voice verification](#)

mutinae - November 12, 2019, 2:51 am

Hello;

I figured, why the hell not, if any of your clients ask for a voice verification through a recorded message, or a 2 minutes conversation, I'm your gal.

Depending on the demand, I could require a small fee. Add me on my discord : Mutinae#1491

You are also not allowed to open a sales thread here please go to the marketplace section and open one there.

I would also recommend you to read the [Help Docs](#) while you're at it. You can find them here: <https://hackforums.net/misc.php?action=help>
