Took me a while to sell them, decided I don't want the headache but I can get you 20+ (best friend works at an EB Games store).

(Nov 21, 2019 05:41 PM)-Scrub Wrote: [\[CITE\]](#) What's the price tag if I want to buy all 20?

I would be able to do \$6.00 each if I can get my hands on some keychains, if not I can do \$8.00 if I have to buy the regular toys. Let me know and I'll start arranging.
