Thread: [Largest fast food order?](#)

Who Soup - November 15, 2019, 4:12 pm

Today I ordered 50 tacos + a meal at jack in the box but the largest I ever ordered was 100 cheeseburgers from McDonalds (back when they were \$1 each)

What is the largest fast food order that you've made?

KrazyHigh - November 15, 2019, 4:21 pm

For me personally prob like \$50 for myself but with a couple friends \$200 at Chilis once on doordash then \$130 at Jack in the box

Stork - November 15, 2019, 4:28 pm

Haha holy those are big numbers I would say maybe \$50 at most for me and 2 others.

spiral - November 15, 2019, 4:30 pm

damn how tf do u guys order so much, I remember when I once nearly ordered like £40 worth and was thinking damn that's too much food lmao

Miles Teller - November 15, 2019, 4:30 pm

McDonalds used to have a thing called the "Touch Down Meal", atleast where I lived. It was like \$10-\$20 and you got two large fries, two drinks, 40 nuggets, and 2-4 cheeseburgers IIRC. Got like 5 of them once before a football game, was good.

Sly Cooper - November 15, 2019, 4:32 pm

20 McDoubles, 20 large fries, and two 50 piece McNuggets when they had that deal going on years ago.

WhoreNet - November 15, 2019, 4:34 pm

I once ordered 17 Hambrgers, 21 cheeseburgers, and 17 lare coca cola..

Spoiler ([Click to View](#))

Ofcourse not!

My biggest order was \$23 for myself

At mcdonalds you get 20 nuggets for like £5. If you're eating much more than that you've got a few issues I think. Not one single clue how everyone manages to eat so much. I'm fat as fuck and I don't even go that far.
