Thread: [BAT Earnings from November](#)

Aficionado - November 19, 2019, 12:12 pm

Check it out yo! Just from using the BAT browser I've earned an extra \$70 USD this November!

This may not seem like alot but it sure does help alot and is a decent amount for just browsing I guess!

Anyone else got some nice BAT earnings?

edit: For those asking, you can join Brave using this link: <https://brave.com/?ref=hac132>

I've done that many times. Blockchain required it for their free airdrops.

One selfie for \$100s for free is a fair trade imo lol

Nice work. I just enabled them rewards on my phone now.

KSI - November 20, 2019, 9:43 am

They are getting roasted on reddit. So much of the decentralization if you have to make selfies and give all the fuckin documents just to withdraw.

SIM-1729678 - November 20, 2019, 9:46 am

cyote791 - September 18, 2020, 6:13 am

Congrats in cashing out \$300 worth of BAT. I would definitely give it a try. Thanks for the tips.

Blockonome - September 18, 2020, 6:37 am

Wait, so is this only available in the states?

And also, can you withdraw these money to a bank account or how can you use them?

The Degenerate - September 19, 2020, 8:12 am

Is it still possible to earn by browsing with the BAT browser ?

pimpim - September 21, 2020, 12:57 am

A + - September 21, 2020, 2:36 am

mindshift5 - September 24, 2020, 11:01 am

Ivex - September 24, 2020, 2:20 pm

Bruh what I have my ads on max and I'm always on my laptop, and I aint earning anything near that from Brave.

Are you clicking on the Ads and interacting on the websites?

Like if I get a product, I will add it to my cart, go to checkout then abandon

I'm sure brave will get paid more, thus paying me more :O

Mr.Peanut - September 30, 2020, 2:08 pm

So glad I came across this thread. I've been using Brave for a few months but didn't know there was a settings option to increase the amount of ads you see! Just maxed it out from 2 to 5/hour.

abood4 - October 5, 2020, 7:54 pm

They aren't available worldwide o

Danked - October 5, 2020, 11:02 pm

Sick! I just downloaded it, can't wait to see what this is about!
