Thread: <LIFETIME> WORDPRESS BACKUP -- $15

wiz - *November 20, 2019, 8:04 am*

Here is what you get:
Backs up your whole website, including DB
Installation file to recover (takes less than 5 minutes to run from backup)
Url to access your backups
20 Backups
The choice to backup daily/monthly/yearly
After 20 backups the oldest backup will be deleted to make room for the new backup
UNLIMITED SPACE PER BACKUP

I will need access to your WordPress admin account to install and setup Duplicator Pro
I am using a legit license key for Duplicator pro
