Big vouch w00ps

Probably within seconds, the guy replied to me, we arranged the vouch copy and he gave me the Google Drive space as advertised. All that in less than a minute. I don't know what else to say, don't hesitate to buy! ?

If you're uploading alot of copyright files Google might shut down your drive.

Not might, it's a for sure. Google servers are scanned for copyrighted files on a daily basis, to which the data is then sent to the production companies legal team. They will file a case with Google and within 24 hours you will get an email that looks like this:

Code Dear Sir or Madam:

We are contacting you on behalf of Paramount Pictures Corporation (Paramount). Under penalty of perjury, I assert that XXXXX Pty. Ltd., (XXXXXX) is authorized to act on behalf of the owner of the exclusive copyrights that are alleged to be infringed herein.

Please remove the following content as soon as possible.

Infringing FileName: Kung Fu Panda (2008) [1080p] [YTS.AG]

Infringing FileSize: XXXX

For your business account sake. Disallow any illegal stuff.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
