Thread: [Why did you choose your username?](#)

Bronze - November 24, 2019, 9:29 am

I chose mine because I have a hobby of blacksmithing with bronze lately. What made you choose the name you did?

.Drugs. - November 24, 2019, 9:32 am

I chose mine because over my lifetime I've safely indulged in all sorts of cool and fun drugs. I've had great experiences although mostly sober now.

Nice, as you get older do you feel more intimidated by drugs? Like say with psychedelics does it make you more nervous than when you were young? Or more uncomfortable as more health issues come with age?

Geass - November 24, 2019, 9:40 am

From my favorite anime I picked mine, also my first choice was taken :(

InspectorGadget - November 24, 2019, 9:40 am

Because LazyTown made it look easy.

QTipx - November 24, 2019, 9:41 am

I mean i like yours, Silver is solid!

My name "koge" is a local slang where i live, and developer is for the obvious part :)

It basacly mean "boiled" Pretty wierd i know, that just got stuck and here i am :D
What do you craft in silver generally?

Unexplained - November 24, 2019, 12:27 pm

I felt it appropriate with my line of work.

Kali Void - November 24, 2019, 9:05 pm

Kali comes from the Linux operating system. Void is just a word I added onto it because it correlates with hacking and programming.

Buzzdrone - November 25, 2019, 12:03 am

Because a stupid joke from two cubicles over got me a stupid nickname that I grew to not totally hate.

Exe - November 25, 2019, 12:04 am

I was into planets for like a quick second and picked my name

Zero - November 25, 2019, 3:30 am

This is how much I value myself.

N - November 25, 2019, 4:55 am

This what I wish my name was.

lol - November 25, 2019, 5:06 am

I don't know why I chose lol. Probably cos of 3 letters.

Joel - November 25, 2019, 5:21 am

I wanted to fuck someone called Joel. Here is a picture of him

Trip - November 25, 2019, 6:53 am

Idk I found 4 letter name thought it was alright.

Bossk - November 25, 2019, 12:43 pm

bossk is a very good man from star wars franchise.

but i am currently twisting my head around a potential name change.

?Satanic - November 25, 2019, 12:43 pm

Because someone allready took Nyan Cat :/

Crimin4L - November 25, 2019, 12:46 pm

Because I'm a mufuckin criminal! Yea you heard it here first :)

Pow3r - November 25, 2019, 1:09 pm

Pow3r was to be an upgrade a while back but I don't think it materialized. Either way I like it.

Blogger - November 25, 2019, 2:36 pm

It's my first name and what I usually use since I don't share this name with a lot of people.

Wait. I forgot I changed my name here. lol I blog and it was just fitting.

DNA - November 25, 2019, 2:54 pm

Honest to god because I was eating Jelly at the time lmao

Your first name is actually blogger...? That's unique.

Blogger - November 25, 2019, 3:43 pm

That'd be funny if I forgot to edit my original post prior.

Nuworld - November 25, 2019, 7:42 pm

Pretty much self explanatory.

Nuworld = ??? = New world.

New Beginning and good fortune.

It's based from the Chinese luner New year.

Dr34dm0nk3y - November 25, 2019, 8:16 pm

I literally used a hacker name generator and combined a couple of them. I wish this wasn't true, but at the same time, I love my handle...

Donald Trump Jr. - November 25, 2019, 8:19 pm

Donald Trump 4 life! Lol i would love to be his son.

Faucet Failure - November 25, 2019, 8:40 pm

Don't lie bro we know it's because you're a huge fan of Deal or No Deal with Howie Mandel!

Rsynced - November 25, 2019, 11:14 pm

I chose mine because I think 'rsync' is the best linux utility in the world ;)
