Japanese companies, to me, put a lot more detail and style in their animation.
American companies are more consistent and for the most part, better.

I dislike most of the american animated tv series. If I had to choose one - I'd go with the Japanese style.

I like American Animation because of the show "Big Mouth" which is really entertaining to watch.

i didn't see it before...

CrockTok - December 4, 2019, 11:50 pm

American for sure. Japanese are just so awful at the animation.
