Thread: [\[FREE METHOD\] 6 \(or 3\) Month Apple Music \(Nov 27 to Dec 2\)](#)

Fish - November 29, 2019, 11:08 am

Because nobody posted saying thanks, and leechers are leechers, you gotta PM me to get the method now.

This method takes around 30 seconds to do, its nice and easy

If this works for you, please leave a vouch, rep and bytes are nice but not required (if enough people don't post I'll make it PM to get)

Enjoy!

Didn't work for me. I shazamed a song and well, it just shazamed the song as normal, no offer for free Apple Music. Maybe it isn't available in the UK.

Just worked for my gf and she is excited

Thanks OP!

Only valid if you do the method before December 2nd. Takes about a minute to do
