Thread: [Some Of My Rare Configs For Cheap Price \[SonicDrive - Walmart - Chipotle \] ETC!](#)

Stewart?RG - November 30, 2019, 3:13 pm

Hello I am selling configs . with cheap prices . i made it from a near time . so i want to show this list .

NOTE ALL OPENBULLET CONFIGS

Chipotle With Capture = 50\$
SonicDriveIn With Capture = 35\$
Walmart With Capture= 25\$
Netflix With 30k CPM With Capture = 30\$
Beinconnect.es Proxyless With Capture= 20\$
DoorDash With Capture = 20\$
Cineworld With Capture = 20\$
Mc Donalds With Capture = 20\$
Dc Universe With Capture = 20\$
Shutterstock With Capture = 20\$
MOVISTAR+ With Capture = 15\$
MasterClass With Capture = 10\$
Che-g-g.com With Capture = 10\$
This A 4% of the list

There is ETC'S OF IT DM Me Discord If you interseted : StewarTheOne#7944 + To show you the proofs . and testing before buying

Also There is a porn list pack with = 100\$ From 31 Different Website .
if you want to show you this list dm + you can buy config for each site .

Don't Forget I Have A Service Of Making Combos + Configs + I Can ByBass Akami Or The Combelecatied Security. Price = Depends on the order .

Dm Me Discord Only : StewarTheOne#7944

Payments = [BTC - BTC CASH - LTC - ETH - ETC....] I Agree With Cyprto Only .

Hope You Enjoy <3

If you want to give me a vouch config I can review it.

salesguy77 - November 30, 2019, 5:01 pm

Also There is a porn list pack with = 100\$ From 31 Different Website .

Do these 31 sites have phones, if so I will buy!!

added you on discord as well

done sir . just replay

Joy - December 2, 2019, 10:23 am

So i received a netflix config as a vouch.

I tried getting some hq proxies but couldn't get some hq ones due to some issues on my end.

The proxies ran out after some time of running the config hence i couldn't get a hit but the config works (i got some custom and bad results).

Op knows what he is doing and answered all the questions i had. Would recommend buying.
