Free Zemana AntiMalware Premium License

To obtain a free Zemana AntiMalware Premium license, follow these steps:

1. Download the program and install on your computer.

[Download Zemana AntiMalware Premium](#)

Supported OS: Windows 10 / 8.1 / 8/7 / Vista / XP 32 | 64-bit

2. Activate the Premium version with the following License Key:

GIVEAWAY-7943-0023

We draw the attention of users to the fact that Zemana AntiMalware is not a substitute for antivirus - it works effectively "in conjunction" with an already installed antivirus.

Terms of Offer

License until January 24, 2020, for home (personal) use only

You get free updates for the entire duration of the license

No free technical support
