Thread: [\\$275 in 6 hours second day ewhoring!!](#)

1570 - December 1, 2019, 1:26 am

I can post pics but I'm posting this from my phone so.. Anyways, bought a method and it really worked out well! Took a day to set up (yesterday) and today after I got off of work I started! 11PM - 1AM I made 150. To be honest I've never done this kind of stuff and it was hard to keep track for convos, so it was very overwhelming but I pulled it all off with 300 people added!!!! Hope to improve and post here again with a new achievement!!

Edit: Now \$275 in about 6 hours of work! (Split between two days, mostly done at night because of work)

I'll post pics soon!

Nice earnings, man! Remember not to spend it all right away.

Btw did you use Benjie's ebook? Should I also get it?

I did things a lil different with my own twist but for the most part I stayed true to it! I'm just got a paid pack, and I imagine I'll be getting a lot more with it than this free pack I am using. I made an additional \$125 today from about three hours of work, still using the free pack. Can't wait to use this new one I'm downloading tho ?

That's great! May I ask what platform you use? Like Snapchat, Kik, Skype, Discord, Mail, Fetish sites or whatever?

I want to be careful with this, but I am just using [BRAND NAME REMOVED]/SC right now. Don't want to give anything away tho.

I understand, only asking for research purposes. I won't steal your method haha. Either way, great job!

Damn man that's really awesome to hear that his ebook is actually worth purchasing.

You're talking about this Contract, correct?

I'm pretty sure I remember seeing Benji give out free ewhoring packs back years ago so if that's true it seems that he's been in the "scene" for a long time now so I'm not surprised his ebook is worth it I suppose.

Tempted to try it myself to see where it can take me. I would love to receive a vouch copy but at this point who knows if he even needs them.
