10\$. Dude also told me will send more in future, as if it is something he doesn't want lol.

Still excited to see that I did this after toiling here for the past few days

Thanks to everyone that helped me.

Congrats! I love seeing people succeed with something new. The SE part of e-whoring does seem easy to me, but I don't think I can bring it up looking at that many dicks a day.. dicks as in kids with hormonal issues and weird old people who didn't heard of Pr0nhub before.

This been said, I think SE will help you increase sales!

The following quote will help you make sales in the future from the same buyer.

'if you're already loved my work for \$10, imagine what \$100 will do to you ;)'

It's like a trigger for their pleasure, they know what to expect, loved it and will return. This works in stores, offline-sales and returning-sales conversations.
