I hope this is allowed, if not I am sorry!

I want to give away some Hulu / Crunchyroll accounts.

If you want one post below which one you want and I'll sent it to you!

Yeah this is not allowed brother,

I got a warning for it after being gone for 6 years and coming back there only allowed in the "Non free accounts" section

<https://hackforums.net/forumdisplay.php?fid=309>

Rules for that section

1. You are allowed to sell in this section paid or subscription based internet accounts.
2. Prices must be posted and on a per account basis with no minimum to buy.
3. No adult website accounts.
4. No free account giveaways. Market sales only.
5. No account generators.
6. All accounts sold must be priced at a minimum of \$1. Bulk sales should still equate to at least \$1 per account.
7. This section requires you to use Contracts for all sales.
