Thread: [What annoys me about christmas...](#)

Condasoft - December 1, 2019, 9:23 pm

People put their decorations up like 2 months early, shops have all their sales up 2 months early and then they still trying to sell christmas stuff 2 months after christmas has passed.

I like christmas but I don't like it constantly being blasted in my face everywhere I bloody go.

My girlfriend's mother calls me that lol

She makes me get in the loft every dam Christmas and she has a never-ending stream of decorations, try a whole loft filled with decorations and people wonder why I dislike the christmas period.

The part that sickens me the most about Christmas is the fact that every year, people want to decorate and whatnot for Halloween and for Christmas, but completely skip Thanksgiving like it isn't even there. It's there, people. IT'S THERE!

Life is short. Stop being negative or die unhappy. Pick one

The reason for that is because people deem it as a racist holiday cause of the horrible things that happen in that timeline.

Some people just like to have reasons to celebrate I guess. Personally not a fan.

Seagulls - December 2, 2019, 3:30 pm

Forced to spend money I don't want to spend to give people I would not usually talk to gifts. I'd rather not get any gifts at all and not have to give any out. I'm a scrouge too bro.

Haha I was about to say the same thing.

What is wrong with you dude, Christmas is all about love and something positive, how can you even get mad at decorations which according to me looks so beautiful.

You are either a very special person or you are just trolling.

haters gonna hate

Xo-Zo - December 2, 2019, 4:34 pm

Christmas is a fun time to spend with your family. You obviously hate spending money on others

Fugg - December 2, 2019, 4:47 pm

People in my area had Christmas lights up 3 weeks ago. It's really annoying, I must agree. Why does "Christmas" holidays include 2 whole months?

Psilocybe - December 2, 2019, 5:08 pm

The part about people putting their decorations up early; I understand, but why wouldn't stores sell decorations & other Christmas related items 1-2 months in advance? It's a little concept called 'preparation', this holiday is all about it haha

Who buys decorations 1-2 weeks in advance? 1 month advance at minimum, afterall the holiday is at the end of december. Don't get OP.

Ravioli - December 2, 2019, 8:57 pm

2 months early is ridiculous tbh

the whole month of december is acceptable imo, no more than that

I'm probably the most generous family member, although I must admit I think that it's my girlfriend's kindness projecting out of me. She loves Christmas.
