Lurked around on this website for quite some time. Finally decided to make an account after finding so many helpful threads. Gonna figure out some way to get bitcoin and buy l33t :)

Looking forward to seeing some of you around.

Hello,

Welcome to you on HF, the l33t status really worth it and not too much expensive if you take the lifetime one

Don't forget to read the [Help Docs](#) by the way, hope you will participate to this community as other did and helped you when you where lurking around the forum ?

Have a nice journey on HF !
