LoadedLux RDP stores

Hi hack forums Gents, I have been into hacking rdps over 7 years now so you are assured you getting quality service from us . This rdps are randoms , window servers and residential RDPs , they range from Xeon CPU to Icores , 2gb RAM to 64gb RAM.

Price : Admin 4 - \$25
: Non Admin 4 - \$15

Payment method:

PayPal
Bitcoin
Ether
BCH
Perfect Money

Tos:

- Sales are final.
- On each sales you have a week warranty if IP goes down before a week I replace
- No sale trashing on my thread
- Also to stay safe buying please always use the contract button
- You can contact me for support any time and I will get back to you as soon as possible.

Not to bust your sales but people can go to the darkweb and get admin RDP for \$10. Which do not have a warranty but off experience last months sometimes. What is the value buying from you?

gloccforty - December 6, 2019, 9:08 am

what vendor do you use for admin rdp? and what site

L1I DuRk - December 14, 2019, 3:37 pm

Online taking sales now. New server available
kindly use the contract button.
