What makes bytes HQ? lol

ShadyAF - December 9, 2019, 12:51 am

What tier countries do these bytes come from?

Fed up of shitty LQ bytes

if you WERE going to scam for anything, bytes is the last thing anyone would ever scam for. you will just get closed, and the bytes will be given anyway.

Yea... Don't saletrash and call it a joke please.

OP is trying to sell something, this is not a place for this kind of "jokes"

It is saletrashing.

A random costumer that comes to the thread and read your comment with no back story will not understand that as a joke.

Stfu, don't be so fucking offended. Joke was good, and even partially true.

Also OP, what is HQ bytes? Aren't bytes just... bytes?

It was sales trashing and disallowed, don't encourage it or you may be punished too.
