Ok, thanks, I do not want discord nitro ?

Just got the \$1 deal you posted, awesome, thanks so much for posting it, bunch of single player games I will easily beat in 3 months time for \$1. Hooking up my xbox one now, too old to wait until Christmas ;)

Just found out about this before your thread, great you're letting people know, definitely don't want to miss out on this! Love how it also comes with Discord Nitro, a massive perk IMO.

I grabbed the promo Microsoft ran where they converted your XBL Gold to Game Pass Ultimate for the duration of stacked XBL on the account (2 years atm).
