Thread: [Cryptocurrency Rules & Reminders](#)

Kill Joy - December 13, 2019, 11:55 am

This thread is to help remind you of the rules and to prevent low quality posts.

Rules

1. No Referral Links. This includes referrals to Exchanges and Apps. They belong in the [Referrals](#) board.

2. No Exchange, Token Offerings, or Coin Announcements without the following information. All others will be junked. Link to Website

Link to Whitepaper (if applicable)

General Description of the project

3. No Donation Begging.

4. [Hack Forums Rules & Etiquette](#) still apply.

5. No Currency Exchange threads. They belong in the marketplace: [Currency Exchange](#)

6. No Telegram Bot Ads links or similar money making methods.

7. No Pump & Dump groups or links to groups.

Kill Joy - January 20, 2020, 11:27 am

Rule 6 added. No Telegram Bot Ads links or similar money making methods.

These kind of threads only bring scams and malicious content to members.

Kill Joy - January 9, 2021, 9:34 am

Rule # 7 added: No Pump & Dump Groups or link to groups. This is an illegal activity online and in the real world as it defrauds investors, while in turn, making the organizers rich.
