Thread: [giving \\$2-\\$3 for a small favor](#)

packofmidgets - December 11, 2019, 8:27 pm

I am giving you \$2-\$3 in a gift card form for you to do me small favor.

I am looking for people to download an app and perform a small task which will take you about 5 minutes total.

Can be done once per phone unless you have a rooted phone in which case you can do over and over.

If you are interested in this add me on discord Rhino#6279

Also pm or post here as well so I can see it is you.

USA ONLY. I am not sure if there is some way for them to tell but so far some of the rooted devices and/or non USA guys are not able to do it.
