So a lifetime buy in would void monthly fees? O.o

I must be misunderstanding.

O.o

I must be misunderstanding.

There will be no monthly fees, but as a result there will be no official monthly tournament either. Group members will have to plan and setup tournaments as they see fit.

Can I ask why the change?

A large part of why I wanted to join gamblers lies in the monthly tournaments. :(

Our numbers were 13 in October, 8 in November, 5 in December.

Not the direction I was hoping for.

Gathering a group of gamblers for life will be more beneficial in the long run.

This is a smart choice in my opinion, i'll consider the lifetime buyin.

It's not like you'll be selling the group next month right?

Any discount for first buyer?

No discounts broke boi! (except for the 4 December Buyin users who I have offered a \$10 discount if they buyin before 2020)

I added in the contract that I will provide atleast a 30 day warning to the group if I plan to sell. Not like anyone would be willing to pay \$4,000 for the group any time soon lol.

N - December 13, 2019, 12:47 pm

Can't wait to see some more newbies join us so I can take their poker money when we run a tournament. Just sent you the payment broke boi.

Obviously.

But, when would I sell it? Groups haven't sold for more than \$1500 all year. I spent \$4k on this one. I spent too much on my pink username to sell it for dirt cheap. My next purchase will actually be another colored group if it hasn't been sold yet.

Also, for those skeptical people I added a clause in the contract that states I have to notify all group members atleast 30 days in advance prior to even listing the group for sale.

The only way to win the pink diamond is if you get first in one of the next 10 official tournies.

Once 12 are won, there will never be another given out.

I will be raising the price in 2 days

If you have been thinking about joining, now is your chance.

Ultimate clout with the pink usernames! Start contract and send the \$40 cashapp or btc

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
