Om wants a BTC bot that can make ads for sell or buy to receive payment from potential buyer and send payment to seller, while collecting the fees. Om would like to have a price, please. Thanks

Stanley - December 25, 2019, 7:22 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Mate I've bought the bot from you to be able to order me GHM, I've waited and waited and by far have done more than 220 orders BY HAND from the time of buying from you

I was given a product that did not function correctly. I hope we can fix this within a few hours as it's coming up on the 48 hour mark ...

that's 48 hours that I've been waiting for one order of this 100\$ bot to complete ... and it has done nothing

This bot can only be used for 5 more days ...

If you are not capable of fixing this I will be requesting a refund.

It's not fair for me to sit here and give you my hard earned 100\$ while you take it and run away for 2 days vaguely responding on discord making promises you will come back and look at it.

Not happy at all with this service ! I bought a bot from OP and he left it with me for 48 hours now! The bot only has a function of 7 days and i've missed out on TWO of these so far ...

=====

Edit:

OP keeps telling me he will come back and promises me times and "reviews" of the bot.

As I said in my dm. I dont care if it's the holidays or you on vacation. WHY TAKE THE JOB THEN? What kind of service provider throws an UNTESTED product at a customer and runs away for 48 hours while the customer complains multiple times a day?

By your efforts YOU DID TEST THE BOT ... or so you say

It doesn't input the data as it should

It totally misses a whole field

You didn't explain to me ANYTHING about the proxies / fingerprint ... as you promised you would

I want a refund. This is horrible business and all you've done so far is wasted my time and money

TL;DR - bought bot, hasn't worked once for 2 days ... OP keeps telling me bot is functioning and putting me for for 48 HOURS NOW!!!

Here is the last conversation I had with OP

OP if you want to argue with me I will post the whole conversation no problem. I hope you refund me and learn from your mistakes. Don't take work on for money you need and leave your customers in the dirt!

What the hell? I told you 1000 times that I am away (as it is Xmas) and will take a look at the issue as soon as I am back if there is a bug it will be fixed I have reported your post and you don't have a contract with me at all.. and my thread has nothing to do with your software!

Plus the fact that I have videos and screenshots of the video making orders for you! ha

anyway good luck.

You have the video of the bot making one order on your end. NOTHING ELSE. ONE ORDER ON YOUR VIDEO ON YOUR COMP! THAT'S IT! NOW YOU LAUGH AT ME?

I can't believe you are twisting and manipulating facts to make yourself look better!

STILL HAVEN'T RECEIVED AN UPDATE ON THE BOT OR A REFUND!

So since I didn't make a contract you are saying you will not address this issue at all?

LOST 100\$ TO OP! 48 hours NOW WITH NO ANSWER, UPDATE, OR REFUND!

Really sad that you turned out this way OP ... "Plus the fact that I have videos and screenshots of the video making orders for you! ha"

That's sad humanity has taken such a negative turn for some money....

OP is a scammer! DO NOT DEAL WITH!

=====

UPDATE:

OP will not face facts! Insulting me now and being rude! Scammer saying since I didn't make a contract on HF i'm out of luck!

<https://gyazo.com/150fc5f6b0ecb613389ac095046b387d> - OP still refusing to answer me what time he will be back. Playing GAMES AND GOING BACK AND FORTH!
OP said to me for the 10th time, he will check the problem.

HE CLAIMS the BOT WAS WORKING FINE WHEN HE SENT IT 60 hours ago! IT MADE ONE SUCCESSFUL ORDER, ONLY ON HIS COMPUTER!

You are a horrible businessman Damion Brown, and worst of all a failure of a human due to your lack of admitting fault. You make fun of people, you refuse to answer questions, only vaguely, and you keep extending deadlines.

The WORST DEAL I've MADE ONLINE in 12+ years of business. Truthfully never have had such a bad business transaction with so much BS in it.
