I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Anything I should know when ordering multiple of these? Do I need multiple emails to order multiple units?

I believe you can order as many as you can to the same address. You will need a new gmail account for each unit and I think a different payment for each order also, but I may be wrong on that part so if I am someone correct me.
