Thread: [Do not deal with UID=4301850 - Liar/Scammer/Child](#)

Cap Talk - December 18, 2019, 3:56 pm

I CLOSED MY OTHER ALERT BECAUSE I THOUGHT HE WOULD CHANGE HIS WAYS. I WAS WRONG LOLOLOL.

Closed the other one because of these messages.. Even more of a reason not to trust the rat. Guess what retard?? Now you have two.

Spoiler [\(Click to View\)](#)

The user has 6+ open scam reports. He just tried adding me on discord to "sell me" a discord partner account. Once I brought up his past deal disputes and other reasons I wouldn't go first he declined. I offered a middleman and he said 'A middleman for \$50 is a little overkill man..' After reviewing past disputes against the member, they're all similar. User tries selling an account, user gets paid, account isnt delivered.

User is 100% on here to scam. If you deal with him you will be scammed. End of story.

First and foremost Spoiler [\(Click to View\)](#)

He username changes after each scam he completes. See trust scan. Save your money and the stress.

Happy holidays!
