I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Hello, first of all im interested in buying it. I'd like to know first what you use, KIK, Snapchat? And if it's paid traffic websites or all free?

Im asking all of this because like 2 / 3 years ago i made like 2k\$ in 1 month on KIK, then stopped due to college, and i wanted to comeback but nothing works for me at the moment on KIK. Thanks

Care to upload more recent earnings and in a smaller time frame? This doesn't really prove much as the method could be outdated. Thanks and GLWS.

Hi malphas

I wanna dm but can't do that right now. Like @goncalomaia19 was asking above, what are you using? Will i require my own website? Private packs etc? Any additional info would be nice. Just PM me if you can't say anything here.

Thanks man.
