Thread: [\\$15 BTC Christmas Giveaway | Rep to Enter!](#)

vexbuddy - December 22, 2019, 1:50 pm

Greetings fellow members

As we are near Christmas, I wanted to give back a little bit. I know it's not much but its easy to win and completely fair to all of you !

To join the contest and have a chance to win \$15 BTC you have to do the following:

Post in the thread and give positive reputation

- Your post # will be your entry ticket.
- One entry per user to avoid bias

The contest will end when there are 50 participants

May the best HF user win hehe ?

Merry Christmas to all of you in advance!

Thank you!

What I dont like is there are a few invalid entries which is why we havent hit 50 entries yet. im keeping track of this so do not worry.

letsbcool - January 2, 2020, 6:17 am

No one will win. This is just a bullshit asking for rating against nothing.

eXceptional - January 2, 2020, 9:11 am

There are Mods on HF to look after this issue. You can keep your opinion but stop trashing here. You posted the same meaning twice and I dislike the way you are reacting to this thread. If this is a fake contest for popularity then the OP will be reported automatically and some action might be taken against it.

Stop worrying and enter the contest if you want to.

Guys get this going. Need 5 more entries for the OP to choose a winner.

zealNpossession - January 3, 2020, 9:22 pm

I'd like to enter too if it's not too late.
