Mullet Muscle - December 22, 2019, 4:04 pm

eGod - December 22, 2019, 4:10 pm

I remember reading an article saying she was too scared to jump or something.

I'm not too sure about her, I remember people had like broken hands and legs but I don't know the details.

Probably just have to google it

Well that's why I prefer laying at the pool with a lemonade, and not being somewhere freezing my ass of and getting hurt on skies ? ?

Boomer - December 22, 2019, 4:24 pm

This video is a classic. That ski lift is on ass

Voxi - December 22, 2019, 4:25 pm

Bruh that guy/girl who got span around at the bottom into the other chairs lol

Seagulls - December 22, 2019, 4:58 pm

I feel bad for laughing, it must have been horrifying for the people involved. How on earth does that possibly happen though? Holy shit. Strange how even in the comments nobody is totally sure about the injuries? I really hope nobody was seriously injured or worse.

Aeowulf - December 22, 2019, 5:05 pm

That is terrifying. Only 8 injured seems low. It was tossing people like crazy.

With people getting thrown in all directions, yup. Something seems messed up. It gave me a good laugh, thanks OP

Slim - December 23, 2019, 11:42 am

Oh my god I saw this yesterday from your thread OP but hadn't replied yet. This is insane, those poor people who were ragdolled into the ground ?

theoldbrit - December 23, 2019, 6:44 pm

That's insane, at least nobody died. Prayers to the skiers.

AwakenGP - December 23, 2019, 7:12 pm

Just watched the video and actually insane. Glad they survived tho

Dryer_Lint - December 23, 2019, 9:00 pm

I wonder why it took them so long to stop the machine.

Dhoroty - December 24, 2019, 2:39 am

That was a nice hack :D

Maybe someone said: "hmm, what that button do?"

dragonHarem - December 24, 2019, 4:00 am

if this lift was high above the ground (10-30 meters, like they often are) so many deaths would happen

Evax - December 24, 2019, 6:16 am

Kinda sick too laugh but this made me lol

Dude, that was probably the craziest part of it all honestly.

Nate - December 24, 2019, 11:49 pm

I've seen this before, I heard it was like 5 people got seriously hurt
