I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

3. No referral links.

OP is just sending a referral link. Don't waste your time unless you want to be like OP trying to get people under your referral link.

I am sorry I didn't know that as a rule, but that is how this works. you refer a friend and they get the \$5 giftcard, also you don't need to refer other people to get the giftcard, only if you want to earn more.

On that note, I am closing this.. it's a shame but rules are rules.
