FAQs

Will you do a deal via a third party?

No, ALL deals will be handled through the HF contract system.

How can I contact you?

To reach me as quickly as possible, send me a message over the HF PRIVATE MESSAGE or create a contract with me. I will get an email notification on both my computer and phone about receiving a PM. I will try to reach back out as soon as possible once I see the message.

Do your rates change?

Yes, I set them for what I want at the current time.

Why should I trust you?

I have exchanged tens of thousands of dollars worth of bitcoin (and altcoins). That includes large exchanges (i.g \$100, \$200, and \$400) all being done in one transaction too. As always, I am open to having a middleman.
