I'll give this a try but before buying let me ask a few questions.

1. Does this method use E-Whoring, Blackhat Activities, Gambling, Affiliate Marketing, Cracking, Drop-Shipping, Scamming, CPA or PPD?

I'd say you could update your thread with more details to drive more traffic.

Title states "HOW TO EARN ABOUT 50\$ AN HOUR" but in the thread you state you make \$59 a day?

I don't understand, is this method scale-able? Are you able to repeat this method multiple times daily, for example, to earn let's say \$300 a day with 6 hours of work?
