Thread: [CCheap cam site tokens | Chaturbate & more \[Own pleasure or create HQ ewhore packs\]](#)

Tolmero - December 25, 2019, 6:52 am

Selling Chaturbate accounts with tokens on them.

Great for own pleasure or to create your own HQ packs if you use right SE tactics while spending these tokens.

Tokens 550 = 15\$

Tokens 750 = 30\$

Tokens 1500 = 50\$

Different token amounts possible, also other cam sites accounts available with tokens like Camsoda, cam4 etc.

Feel free to contact me through HF Pm or Discord Tolmero#9787 if you have any questions.

No, or you need to know a model send it to him/her and withdraw then.

just started a contract, will leave a review once we've completed the deal.

edit: OP had to step away for the night, they've refunded the money I sent and we will finish the transaction tomorrow.
