Thread: [\[\\$200k+ Exchanged\] TheChief's Currency Exchange Service | PayPal - Amazon- BTC -Steam](#)

TheChi?f - December 25, 2019, 9:54 am

MY OLD THREAD for vouches and past deals: <https://hackforums.net/showthread.php?tid=5199527>

TheChief's Official Currency Exchange Service

Turn your face to the sun and the shadows fall behind you.

Description:

I'm currently offering the following service(s):

1. Exchanging my BTC for your Amazon.com Gift Cards (GC). (I'm buying your AGC)
2. Buying your BTC with my PayPal.
3. Buying Steam Gift Cards with my BTC.

My Bitcoin Stock at ALL Times: Over \$10,000

Amazon Gift Cards:

I'm currently looking to buy Amazon.com Prime Gifts at a reasonable rate of 70% Bitcoins (or any other cryptocurrency) or 70% PayPal. These gifts will be sent to my email address, which is in my usertitle. I might also purchase Amazon.co.uk gift cards so message me for the same.

[contract=tid]Start Contract[/contract]

PayPal:

I'll be sending payments from my Verified PayPal account. I am buying your BTC with my PayPal.

My Daily PayPal Stock: \$1,000+(USD)

Rate: 0-5%

[contract=tid]Start Contract[/contract]

Steam:

I'm buying a lot of steam items, such as Steam Gift Cards, CSGO skins, CSGO keys and TF2 keys.

Rate for Steam Gift cards: 70%

Rate for CSGO Skins: 5-10% less than Bitskins price, or depends on the skin.

Rate for CSGO and TF2 keys: Will be decided at the time of the deal, PM me for it.

[contract=tid]Start Contract[/contract]

T.o.S.

I don't go first under any circumstances.

I may refuse to deal with you.

ToS and availability is subject to change(s) without prior notice.

In case of Amazon Gift Cards, by dealing with me, you take responsibility of the card that'll be sold to me and you'll be responsible to refund me in case the AGC is locked/taken back. Failure to comply will lead to a deal dispute.

I'm open to using a trusted middleman but all fees will be paid by you.

Vouches:

These can be found on my old thread: <https://hackforums.net/showthread.php?tid=5199527>

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
